CATALOGUE
FOOD

about

who we are

The largest Polish company in the food industry and one of the largest Polish food group in Central and Eastern Europe (CEE). We have been present on the market **for over 30 years**.

in numbers

where and how much do we produce

Our products are made in **17 modern plants** in Poland and abroad. Our annual production is 2.03 billion litres of juice, nectars and drinks, 280,000 tonnes of pasta, cereals and instant products and 170,000 tonnes of jam and preserves.

business focus

what we do

We produce **branded food products**. We have tens of brands in our range. These are mostly the market leaders.

growth and expansion

how we develop

Through organic growth and acquisitions. We have completed **20 acquisitions**, including 11 abroad.

OUR MISSION:

We aim to develop continuously, to create products with passion and a sense of responsibility that will accompany consumers in their daily lives.

OUR VISION:

We are a European market leader, consolidating our market position through high quality and innovation. We conduct our operations with concern for the welfare of people and the environment.

The leading FMCG producer in Poland and a front runner in Central and Eastern Europe in the categories:

juices, nectars,
drinks, water

processed fruit
and vegetables

pharmaceutical
preparations and vitamins

pasta and
cereal products

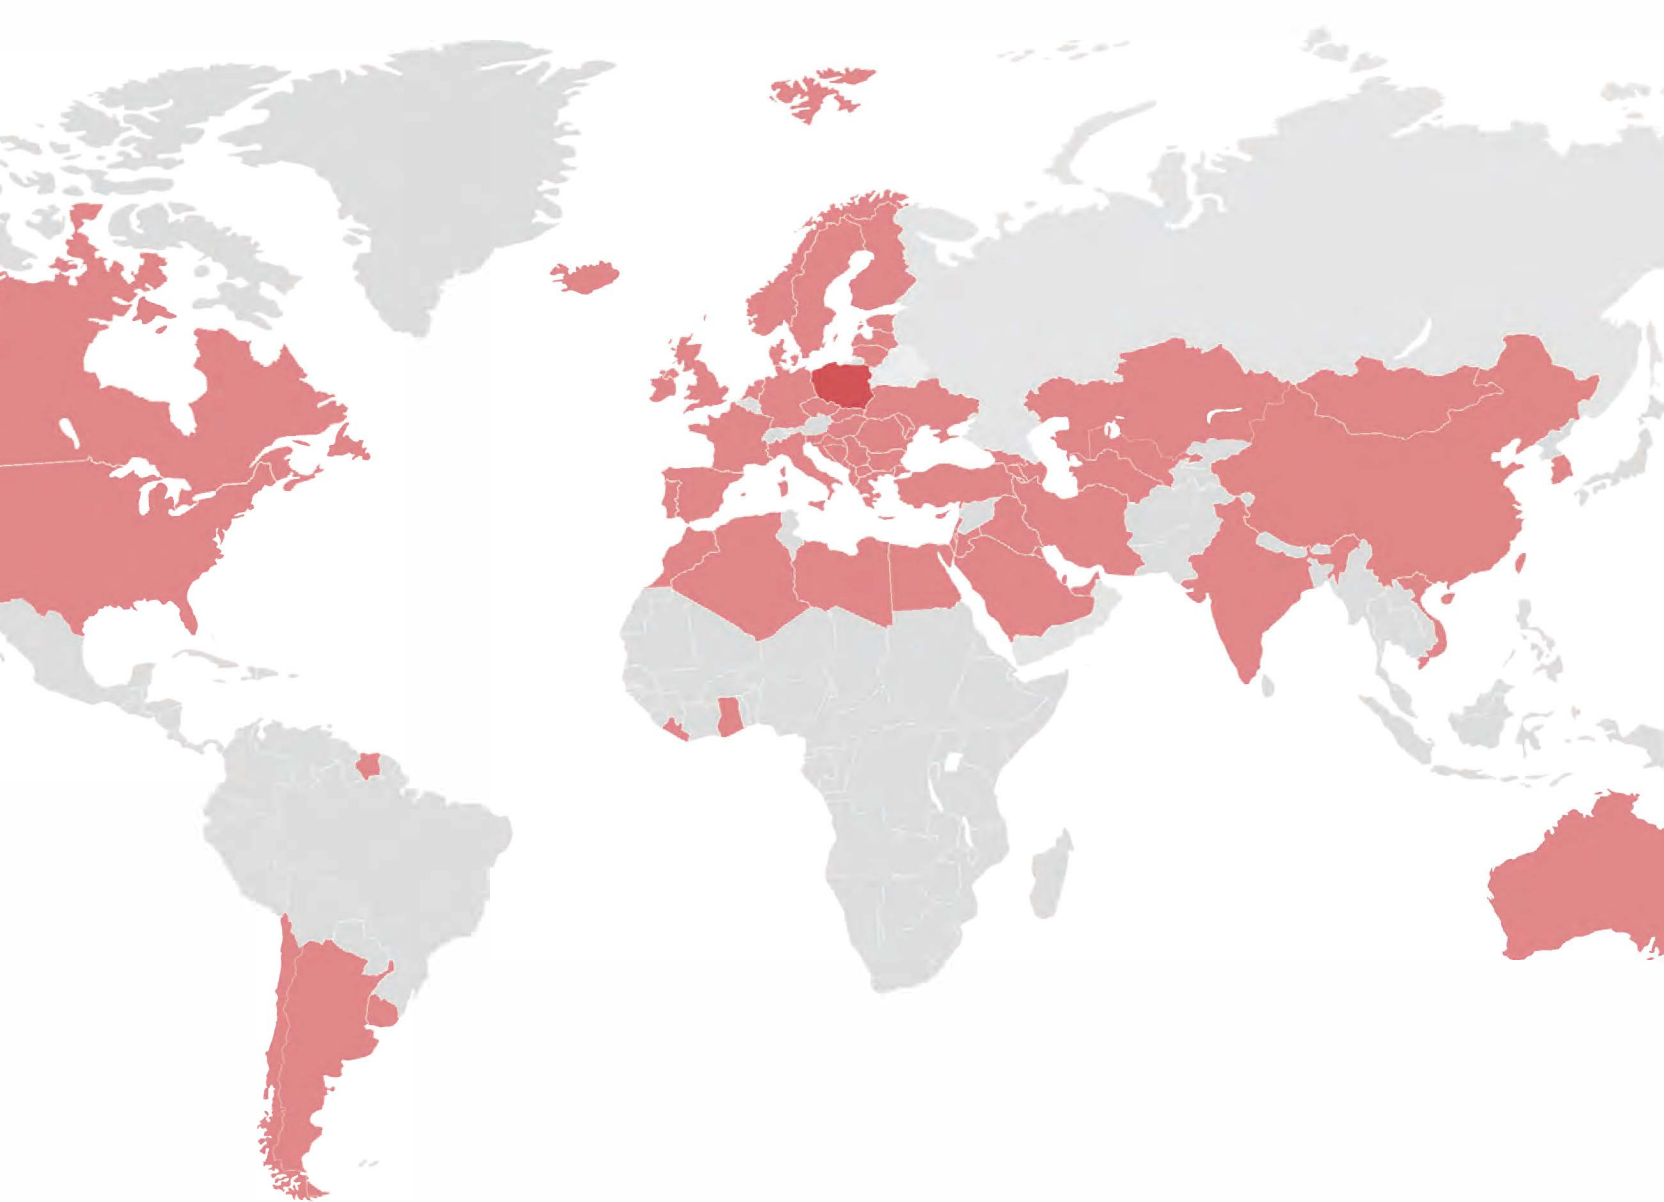

instant
products

alcohols

The owner and distributor of the most recognisable and the strongest brands in Poland and abroad:

 | Sales revenue **1,31** bn €

 | Foreign sales is **1/3**
of the company's turnover

Our products are sold in over 60 countries
around the world except Antarctica

**Leading
export
brands**
